Browser Requirements
Ideal Browsers: Microsoft Internet Explorer 5.0 (or greater)
Netscape 4 Compatible Browsers: Microsoft Internet Explorer 4.0 (or greater)
Netscape Navigator 4.0 (or greater)
Screen Resolution: 800 pixels x 600 pixels
1024 pixels x 768 pixels
Text Size: Medium (in Internet Explorer)
100% or Normal Font Size (in Netscape)

How to Navigate Home Page consists of links to all the main sections of the website. All the inner pages have three parts. The header, the left menu and the body. To access other important sections of the website from inner pages, please follow the links in the header part of the inner pages. The left menu of all inner pages consists of links relevant to that section of the website. The "others" link in the home page consists of links to other sections of the website.

Commonly Used Abbreviations BSAMS - Bipin, Saumya, Ashutosh, Madhvi, Shruti SA - Students' Association

Requirements for Flash Site To view the HMRITM Flash Site, you should have a Macromedia Flash Player installed in your browser. To download the player, click [install now](#)

INSTALL

The site is not loading for me. Why? If the site is not loading for you, make sure that your internet connection is intact. If you are using a proxy server to connect to the internet, re-check your proxy settings. You might be under a firewall and your network administrator would have restricted access to the HMRITM Website. In any case, refresh your browser window after sometime.

Report Site abuse If you find any kind of site abuse, please mail to hmritm@sify.com. This email address is being protected from spam bots, you need Javascript enabled to view it.

Report Broken Links If you find any broken links in the site, please mail to hmritm@sify.com
